

Articulation Agreement
Des Moines Area Community College Iowa
Bachelor of Science in Nursing

Effective Fall 2019

Clarkson College accepts transfer credit from Des Moines Area Community College. The articulation agreement shows how courses completed at Des Moines Area Community College will be transferred to Clarkson College. It is important for students transferring credit to Clarkson College to submit a final official transcript after completing all course work from other institutions. Students must receive a grade of “C-” or higher to be considered for transfer credit. Clarkson College does not accept transfer credit for courses taken after enrollment at Clarkson College.

All courses are offered at Clarkson College and not necessary for admission.
