

# Articulation Agreement

## Western Iowa Tech Community College

### Bachelor of Science in Nursing

Effective Fall 2019

Clarkson College accepts transfer credit from Western Iowa Tech Community College. The articulation agreement shows how courses completed at Western Iowa Tech Community College will be transferred to Clarkson College. It is important for students transferring credit to Clarkson College to submit a final official transcript after completing all course work from other institutions. Students must receive a grade of "C-" or higher to be considered for transfer credit. Clarkson College does not accept transfer credit for courses taken after enrollment at Clarkson College.

**All courses are offered at Clarkson College and not necessary for admission.**

\* Denotes that course must be taken within the last five years (requirement waived for LPN-BSN students).

Students who have their RN and are accepted into our RN-BSN or RN-MSN program will receive 79 Direct Transfer Credits for their licensure, which will cover all general education courses except ST310 Statistics (can be transferred in) and HC206 Pathophysiology and Pharmacology: Current Practices (must be taken at Clarkson College).

#### Elective Credit

Traditional BSN program: An additional eight credit hours may be transferred in as elective credit to Clarkson College.  
 LPN-BSN program: An additional seven credit hours may be transferred in as elective credit to Clarkson College.

**Residency Requirement** At least 27 semester hours must be completed at Clarkson College for a bachelor's degree.
